Manole Dentistry

Financial Agreement

Thank you for choosing our office for your dental care. We are committed to providing you with excellent dental care using the highest quality material and techniques. We do not want finances to prevent you from obtaining the care you need. We understand it is not always possible to pay your dental bills in full so we offer several financial options.

1. Payment is due at the time treatment is rendered. We accept cash, check, credit card and Care.
2. Insurance Benefits—as a courtesy to you, we are happy to complete and submit your insurance forms. Every effort will be made to obtain the maximum benefit your insurance allows, and when appropriate, we will file a pre-determination of benefits for you. It is important to understand that your insurance is a contract between your insurance carrier and you or your employer. We have no control over this relationship. We firmly believe your health should not be determined by an insurance carrier that has never met you and we promise not to compromise the quality of your care nor limit your options to what they are willing to pay for. Your estimated co-pay is due at the time of service. We cannot guarantee payment, nor do we have knowledge of any benefits paid to other dental offices. Any balances due after your insurance pays, are due within 30 days. If payment is not received from your insurance within 60 days from service, you will be expected to pay the balance in full. Balances over 90 days are subject to a monthly finance charge of 1 ½ percent. Should it become necessary to place your account into collection, you will be responsible to pay all outstanding balances including, but not limited to all related reasonable collection and attorney fees.
3. Monthly payment options are available to help make dental care affordable, including 6 months NO INTEREST outside financing with Care Credit, Chase financing, and Springstone. If interested, we can conveniently qualify you at our front desk. We also offer low interest payment plans with a credit card on file.
4. Your time is valuable and so is ours. We will always try to make appointments that are convenient for you and will do our very best to start and end your appointment on time. We ask that you help us by arriving on time for your appointment. Please understand that we reserve chair time just for you and do not double book appointments. We ask that you make every effort to keep your appointed time. For the courtesy of other patients that are waiting for appointment times, please be aware that we require 24 hour notice to change or cancel an appointment or a \$50 fee may be assessed to your account.

I have read and understand the above policies. I authorize release of any information needed for the filing of my dependent's insurance claims and authorize payment of insurance benefits directly to Dr. Manole. I acknowledge full responsibility for the payment of services as outlined above.
